

In preparation for your consultation with our law office, please feel free to review the below questions we will ask about your legal claim. Of course, if you are not able to provide all answers immediately, we still invite you to contact us so we can manage the details for you. There is no cost or obligation to contact our Law Office for a professional evaluation. In fact, we accept legal cases on a contingency basis, meaning we will cover the fees associated with representing your legal claim and only claim those legal fees at the time of your settlement.

- Did you stay at the scene until the police arrived and was a report taken? Y / N

Explain: _____

- Did anyone speak of injuries at the scene? Y / N

Explain: _____

- Did the accident involve property damage? Y / N

Explain: _____

- Was 911 called and did an ambulance arrive to take people away? Y / N

Explain: _____

- Did you move anyone who was injured? Y / N

If so, this may increase the risk for liability and we may be able to assist in managing this situation.

Explain: _____

- Do you have the contact information of all people involved, witnesses and the officer's badge number who reported on the accident? Including insurance information? Y / N

Explain: _____

- What is the location address, cross streets road conditions, weather, and any other pertinent information that may limit your liabilities? Y / N

Explain: _____

- Were you thorough and truthful when you met with the police officer? Y / N

Explain: _____

- Did you admit fault? It's always wise to leave the decision of blame to the police and insurance companies, while allowing an attorney to represent your legal claim. Y / N

Explain: _____

- Did you allow the police offer to make conclusions about the accident? Y / N

Explain: _____

- Did you seek medical attention on the day of the accident or within 48 hours? In a moderate to serious accident, it's always wise to seek your physician as soon as possible. Y / N

Explain: _____

- Did you experience any disorientation, nausea, confusion ear ringing, or dizziness following the accident? Y / N

Explain: _____

- Any other notes:
